

(factorial 6)      ▷

(fact-iter 1 1 6)

(fact-iter 1 2 6)

(fact-iter 2 3 6)

(fact-iter 6 4 6)

(fact-iter 24 5 6)

(fact-iter 120 6 6)

(fact-iter 720 7 6)

720      ◁

A curved arrow originates from the right side of the first line, '(factorial 6)', and points to the left side of the last line, '720', indicating that the value 720 is the result of the factorial function call.
